Wayne Bowl is featuring a program called Kids Bowl Free and our bowling center was selected as one of 750 centers in the USA to participate. Over 15,000 public and private schools are part of this fantastic program and we are very excited to be able to offer it to our commu-

nity. Here's How It Works: Our bowling center will provide the school or PTA with one Kids Bowl Free card per student. Parents visit the Kids Bowl Free website using the information on the card www.kidsbowlfree.com/cp and register their child(ren) to

receive 2 free games of bowling at our center every day throughout the summer. There is no fee. No strings attached. The only thing that may be of cost is shoe rental if they don't own bowling shoes. This program is our way of saying thanks for past patronage and also a way to expose the sport of bowling to many new participants. We are proud that bowling is the fastest growing High School letter sport in America! We hope this free summer program will open children's minds to the "sport" side of bowling while offering them something to do that is fun and free. Anyone interested in participating can call the Wayne Bowl .center at 721-7530 and speak to a staff member, call Jim Reed (734) 674-2436, or email Jim at wayne-bowl@comcast.net.
